

Proposal Submission Guidelines

This guide is meant to provide you with important information about the ERIDOB 2022 proposal submission process. Proposals can only be submitted through the EasyChair online conference management system. Submissions via email will not be accepted.

Proposal submission system will be open till **16th of January 2022**. In order to submit your proposal for peer review, please read carefully the following steps:

1. First, you will need to create* an EasyChair account (username and password) as an author. Go to <https://easychair.org/account/signup>. You will be automatically directed to the page shown in the screenshot below. Before continuing to the next step, make sure that you select the reCAPTCHA robot test.

**Note: If you have a valid username and password, go to step 3*

The screenshot shows the EasyChair sign-up page. At the top left is the EasyChair logo with the tagline 'The world for scientists'. At the top right are links for 'Help / Log in' and a small illustration of a chair. The main heading is 'Create an EasyChair Account: Step 1'. Below this, it says 'To create an EasyChair account you should have a valid email address and do the following.' followed by a numbered list: 1. pass a captcha to prove that you are not a robot; 2. fill out a simple form with your personal information; 3. follow the link we send to your email address to complete the account creation. Below the list, it says 'Please note that the use of EasyChair is subject to [our terms of service](#).' At the bottom left, there is a checkbox labeled 'Δεν είμαι ρομπότ' (I am not a robot) next to a reCAPTCHA logo and the text 'reCAPTCHA Ανάγνωστο - Όμοιο'. At the bottom center, there is a red 'Continue' button.
